Learning how to draw is probably something that youâ€™ve always wanted to do. Youâ€™ve probably always dreamed of drawing things in an effective and simple manner, but you donâ€™t really know where to start. For many of us, the concept of drawing can seem like something utterly daunting, but in reality, itâ€™s actually a lot of fun to learn and a great concept for anyone to use. The truth is, anyone can draw. You just have to know where to start. Now, youâ€™re not going to become the next Picasso after one session. No, it takes time, but this guide will help you get started. Itâ€™s simple, but effective, and you can work on drawing amazing things in order to create images and pictures that you can be proud of.

BOOK #2 PREVIEW

Pencil art is a great way to relieve stress in your life. Art is a great form of therapy period, but the workings of pencil art can really help you get the most out of your life, and you can work on your drawing skills. Pencil art has been around for ages, and for many of us, the idea of using a pencil to draw is kind of natural, and for many of us, we wish to do that sort of thing. But it can be hard for many of us, simply because we donâ€™t know how to go about it. Pencil art can seem daunting at first, but if you get it right and get the hang of it once, youâ€™ll soon start on the right pathway to getting onto a better and more efficient manner of making this art. This book will actually go into some of the nuances of pencil art in order to help you get the hang of it, and to help you create the best pictures imaginable.

BOOK #3 PREVIEW

Have you ever heard someone say that art can change the world? Well it can! Art is an amazing tool that humans have used since we dwelled in caves to express our understanding of the world around us. Art can help us leave a legacy of our knowledge, express our deepest emotions, and tell stories to people who may or may not ever get to meet us in person.

Drawing is one of the most fundamental tools to have when you decide to create. Drawing things is sometimes thought to be an inborn talent, but the truth is that anybody with the drive to be discerning and creative can pick up drawing easily. The trick is to find your own style!

BOOK #4 PREVIEW

Acrylics have a lot of other amazing qualities that make it easy to understand why so many artists prefer them. The colors are vibrant, and layering the paints is simple to do. If you make a mistake, it is simple to cover up with another paint color. In a way they are like charcoals, and bring out the best in an artist because they know that they only get limited chances to get it right once they begin. If you want to learn some great new tips and techniques that will help bring your acrylic painting to the next level, then you've come to the right place!
